General Scope

The Organizing Committee Cordially invites you to participate in **The 11th Japan/Korea International Symposium on and Resources Recycling and Materials Science**, which will be held from June 17 to 19, 2013 in Osaka, Japan. The objectives of symposium are to share the latest research results, to exchange ideas and to boost the cooperative relations among materials and resources engineers concerned with material sciences and resources recycling. This symposium will be jointly held with the 130th Domestic symposium of Resources Processing society of Japan on June 20.

The Topics of the Technical Sessions

Sustainable Development & Climate Change Initiatives

- Resources Recycling Technology
- Conventional Mineral Processing
- Environmental Friendly Materials
- CO₂ Utilization Technologies

Deadline

Formats of abstract and registration form will enable to be downloaded in the HP in Kansai Univ., Japan. The URL of this HP is as follows, <http://www.cheng.kansai-u.ac.jp/Shigen/11thjksymp.htm>

Abstract Deadline: March 10, 2013

Contribution is invited from any author to submit the abstracts on the above topics by e-mail (murayama@kansai-u.ac.jp). The abstract should not exceed 200 words.

Full Paper Deadline: May 10, 2013

The committee of this symposium will invite several plenary, keynote and invited speakers. Full paper for the plenary, keynote and invited speakers should be submitted before **March 10, 2013** by e-mail (murayama@kansai-u.ac.jp). The manuscript should be arranged within 8 pages.

Registration Deadline: March 10, 2013

The registration should be done before **March 10, 2013** by e-mail (murayama@kansai-u.ac.jp).
